DATE	2017-03-29
SUBJECT	Reminder on the safety elements
PARTS	Extinguisher, harness, seat

CONCERNÉS : TOUS LES VÉHICULES

RENAULT SPORT RACING reminds you that before any engagement in an official championship, you must check the validity dates and state of all the security elements.

Please refer to Article n°14 (SAFETY EQUIPMENT) of the 2017 RENAULT CLIO CUP technical regulations
This document is available on the RENAULT SPORT RACING Extranet → <http://extranet-competition.renault-sport.com/>

ARTICLE 14 – SAFETY EQUIPMENT

- 14.1. – FIRE EXTINGUISHER
- 14.2. – MASTER SWITCH
- 14.3. – REAR-VIEW MIRRORS
- 14.4. – DRIVER SAFETY BELTS
- 14.5. – SEAT AND SEAT BRACKETS
- 14.6. – SAFETY ATTACHMENTS
- 14.7. – WINDSCREEN
- 14.8. – SIDE SAFETY NET
- 14.9. – TOWING STRAPS
- 14.10. – INDICATORS – LIGHTS - HEADLIGHTS
- 14.11. – DRIVER EQUIPMENT

We also want to recommend you to control the seat attachment points: we saw last year that the oldest cars might show a significant degradation (see on picture below).

If you face this case on your car, please inform your local scrutineer, and provide him pictures before / after repairs, so that RENAULT SPORT RACING can validate the compliance of the operation.
